

**RAOSAHEB WANGDE MASTER CHARITABLE TRUST'S
DNYANSHREE INSTITUTE OF ENGINEERING AND TECHNOLOGY, SATARA.**

Department of General Science and Humanities

Academic Year 2021-22

Action taken based on Students and Teachers feedback on Curriculum

Sr. No.	Particulars	Recommendations based on feedback analysis	Actions Taken
1	1. Computing facility provided 2. Curriculum emphasizes on the usage of computing facility	As FY B Tech curriculum is built on fundamentals of basic and Engineering Science. It is required to develop critical thinking and psychomotor skills among the students	1. Use of virtual laboratory and demonstration and animated videos of practical's. 2. Use of ICT tools in teaching method.
2	Societal activities, sports and cultural activities carried out.	Organize societal and sports activities for students	1. Arrange the societal and sports activities in next academic year.
3	New Technological advances	Organize expert lectures from industry and field training	1. Motivate Students for online as well as physical Internship to improve skill development

			<p>2. Motivate students for making projects based on cross curricular subjects.</p> <p>3. Motivate students for registration of NPTEL/SWAYAM Courses Institute Domain.</p>

Academic Year 2021-22 Semester-I
F.Y.B.Tech Student Feedback on Curriculum Analysis

Student Feedback Analysis Academic Year 2021-22 Semester-I	
Question No.1	The curriculum provides the basis of fundamental knowledge of professional engineering.
Question No.2	The curriculum aimed for Identification, Formulation, Analysis, design and solution of the Engineering problem/s.
Question No.3	The computational and logical components/s is covered in the syllabus.
Question No.4	The practical component / to improve skills is covered in the syllabus.
Question No.5	The curriculum provides the foundation required for research, innovation, product development abilities.
Question No.6	The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.
Question No.7	The curriculum provides sufficient multidisciplinary aspects.
Question No.8	The curriculum covers the required courses for Higher studies Entrepreneurship/Employability.
Question No.9	The curriculum incorporates the new technological advances.
Question No.10	The curriculum emphasize on the usage of computing facilities.

Sajjangad, Satara Department of Civil Engineering
S.Y.B.Tech Students Feedback Academic Year: 2021-22
Sem-III**

All the students are hereby informed to fill up the following Feedback form

Rate the following on the scale as - (5 - Strongly Agree, 3 - Agree, 1 - Moderate)

* Required

1. Email *

2. Name of the student *

3. Roll no. *

4. PRN No. *

5. Batch *

Mark only one oval.

☐ C1

☐ C2

6. Engineering Mathematics III *

Check all that apply.

	5	3	1
The curriculum provides the basis of fundamental knowledge of professional engineering.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The curriculum aimed for Identification, Formulation, Analysis, Design and solution of the Engineering problem/s.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The computational and logical component/s is covered in the syllabus.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The practical component/ to improve skills is covered in the syllabus.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The curriculum provides the foundation required for research, innovation, product development abilities.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The curriculum provides sufficient multidisciplinary aspects.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The curriculum covers the required courses for Higher studies / Entrepreneurship / Employability.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The curriculum incorporates the new technological advances.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The curriculum emphasize on the usage of computing facilities.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Sr. No.	Particulars	5	3	1
Rate the following on the scale as - (5:Strongly Agree, 3:Agree, 1: Moderate)				
1.	Admission counselling and guidance provided.	✓		
2.	Eco- friendly Classrooms and laboratories facilities available.	✓		
3.	Canteen and mess facilities with hygiene available.		✓	
4.	Library and Reading room Facility available.	✓		
5.	Medical, Common room, gymkhana and Transportation facilities available	✓		
6.	Societal activities, sports and cultural activities carried out.		✓	
7.	Computing facilities provided.	✓		
8.	Industry supported/ related activities along with training provided.	✓		
9.	Student's counselling, mentoring, carrier guidance and placement support provided	✓		
10.	The curriculum provides the basis of fundamental knowledge of professional engineering.	✓		
11.	The curriculum aimed for Identification, Formulation, Analysis, Design and solution of the Engineering problem/s.	✓		
12.	The computational and logical component/s is covered in the syllabus.	✓		
13.	The practical component/ to improve skills is covered in the syllabus.	✓		
14.	The curriculum provides the foundation required for research, innovation, product development abilities.	✓		
15.	The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.	✓		
16.	The curriculum provides sufficient multidisciplinary aspects.	✓		
17.	The curriculum covers the required courses for Higher studies / Entrepreneurship / Employability.	✓		
18.	The curriculum incorporates the new technological advances.	✓		
19.	The curriculum emphasizes on the usage of computing facilities.		✓	
20.	How will you rate overall academic performance of Institute? (5:Excellent, 3:Good, 1: Average)		✓

8.	Industry supported/ related activities along with training provided.	✓		
9.	Student's counselling, mentoring, carrier guidance and placement support provided	✓		
10.	The curriculum provides the basis of fundamental knowledge of professional engineering.	✓		
11.	The curriculum aimed for Identification, Formulation, Analysis, Design and solution of the Engineering problem/s.	✓		
12.	The computational and logical component/s is covered in the syllabus.		✓	
13.	The practical component/ to improve skills is covered in the syllabus.			✓
14.	The curriculum provides the foundation required for research, innovation, product development abilities.		✓	
15.	The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.	✓		
16.	The curriculum provides sufficient multidisciplinary aspects.		✓	
17.	The curriculum covers the required courses for Higher studies / Entrepreneurship / Employability.			✓
18.	The curriculum incorporates the new technological advances.			✓
19.	The curriculum emphasizes on the usage of computing facilities.	✓		
20.	How will you rate overall academic performance of Institute? (5:Excellent, 3:Good, 1: Average)	✓

ACTION TAKEN BASED ON STUDENTS FEEDBACK ON CURRICULAM

A. Y. 2021-22

Sr. No.	Particulars	Summarized recommendations based on Analysis of Feedback by Students on Curriculum	Actions Taken
1	New Technological Advances / Practical component in the curriculum	1. Add on programs / Workshops / Guest Lectures/Seminars on thrust areas in all programmes to be conducted.	1. Webinar on "Internet/firewall Services (Sky net)" on 03/01/2022 2. Webinar on "Career Paths in Cyber Security" on 08/04/2022
2	Foundation for Research, innovation, product development abilities.	1. Enhance utilization of Industry supported/sponsored labs., incubation center & center of excellence facilities.	1. Seminar on "Open Source & IT Features" was arranged on 29/03/22. 2. Webinar on "Case Study on IoT" on 15/03/2022

Chart Title

- Admission counselling and guidance provided.
- Eco- friendly Classrooms and laboratories facilities available.
- Canteen and mess facilities with hygiene available.
- Library and Reading room Facility available.
- Medical, Common room, gymkhana and Transportation facilities available
- Societal activities, sports and cultural activities carried out.
- Computing facilities provided.
- Industry supported/ related activities along with training provided.
- Students counselling, mentoring, carrier guidance and placement support provided
- The curriculum provides the basis of fundamental knowledge of professional engineering.
- The curriculum aimed for Identification, Formulation, Analysis, Design and solution of the Engineering problem/s.
- The computational and logical component/s is covered in the syllabus.
- The practical component/ to improve skills is covered in the syllabus.
- The curriculum provides the foundation required for research, innovation, product development abilities.
- The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.
- The curriculum provides sufficient multidisciplinary aspects.
- The curriculum covers the required courses for Higher studies / Entrepreneurship / Employability.
- The curriculum incorporates the new technological advances.
- The curriculum emphasizes on the usage of computing facilities.
- How will you rate overall academic performance of Institute? (5:Excellent, 3:Good, 1: Average)

4.	Library and Reading room Facility available.		✓	
5.	Medical, Common room, gymkhana and Transportation facilities available		✓	
6.	Societal activities, sports and cultural activities carried out.		✓	
7.	Computing facilities provided.		✓	
8.	Industry supported/ related activities along with training provided.	✓		
9.	Student's counselling, mentoring, carrier guidance and placement support provided	✓		
10.	The curriculum provides the basis of fundamental knowledge of professional engineering.	✓		
11.	The curriculum aimed for Identification, Formulation, Analysis, Design and solution of the Engineering problem/s.		✓	
12.	The computational and logical component/s is covered in the syllabus.	✓		
13.	The practical component/ to improve skills is covered in the syllabus.	✓		
14.	The curriculum provides the foundation required for research, innovation, product development abilities.	✓		
15.	The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.			✓
16.	The curriculum provides sufficient multidisciplinary aspects.	✓		
17.	The curriculum covers the required courses for Higher studies / Entrepreneurship / Employability.	✓		
18.	The curriculum incorporates the new technological advances.		✓	
19.	The curriculum emphasizes on the usage of computing facilities.	✓		
20.	How will you rate overall academic performance of Institute? (5:Excellent, 3:Good, 1: Average)	✓		

Please feel free to mention additional comments:

Organise sports event.

Chart Title

- Admission counselling and guidance provided.
- Eco- friendly Classrooms and laboratories facilities available.
- Canteen and mess facilities with hygiene available.
- Library and Reading room Facility available.
- Medical, Common room, gymkhana and Transportation facilities available
- Societal activities, sports and cultural activities carried out.
- Computing facilities provided.
- Industry supported/ related activities along with training provided.
- Students counselling, mentoring, carrier guidance and placement support provided
- The curriculum provides the basis of fundamental knowledge of professional engineering.
- The curriculum aimed for Identification, Formulation, Analysis, Design and solution of the Engineering problem/s.
- The computational and logical component/s is covered in the syllabus.
- The practical component/ to improve skills is covered in the syllabus.
- The curriculum provides the foundation required for research, innovation, product development abilities.
- The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.
- The curriculum provides sufficient multidisciplinary aspects.
- The curriculum covers the required courses for Higher studies / Entrepreneurship / Employability.
- The curriculum incorporates the new technological advances.
- The curriculum emphasizes on the usage of computing facilities.
- How will you rate overall academic performance of Institute?
(5:Excellent, 3:Good,
1: Average)

 Gajawadi, Sajjangad Road, Satara.

4.19	Admission counselling and guidance provided.
3.41	Eco- friendly Classrooms and laboratories facilities available.
3.56	Canteen and mess facilities with hygiene available.
3.63	Library and Reading room Facility available.
3.56	Medical, Common room, gymkhana and Transportation facilities available
3.52	Societal activities, sports and cultural activities carried out.
3.41	Computing facilities provided.
3.56	Industry supported/ related activities along with training provided.
3.67	Students counselling, mentoring, carrier guidance and placement support provided
3.63	The curriculum provides the basis of fundamental knowledge of professional engineering.
3.48	The curriculum aimed for Identification, Formulation, Analysis, Design and solution of the Engineering problem/s.
3.48	The computational and logical component/s is covered in the syllabus.
3.67	The practical component/ to improve skills is covered in the syllabus.
3.41	The curriculum provides the foundation required for research, innovation, product development abilities.
3.48	The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.
3.48	The curriculum provides sufficient multidisciplinary aspects.
3.56	The curriculum covers the required courses for Higher studies / Entrepreneurship / Employability.
3.37	The curriculum incorporates the new technological advances.
3.30	The curriculum emphasizes on the usage of computing facilities.
3.48	How will you rate overall academic performance of Institute? (5:Excellent, 3:Good, 1: Average)

Chart Title

- Admission counselling and guidance provided.
- Eco-friendly Classrooms and laboratories facilities available.
- Canteen and mess facilities with hygiene available.
- Library and Reading room Facility available.
- Medical, Common room, gymkhana and Transportation facilities available
- Societal activities, sports and cultural activities carried out.
- Computing facilities provided.
- Industry supported/ related activities along with training provided.
- Students counselling, mentoring, carrier guidance and placement support provided
- The curriculum provides the basis of fundamental knowledge of professional engineering.
- The curriculum aimed for Identification, Formulation, Analysis, Design and solution of the Engineering problem/s.
- The computational and logical component/s is covered in the syllabus.
- The practical component/ to improve skills is covered in the syllabus.
- The curriculum provides the foundation required for research, innovation, product development abilities.
- The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.
- The curriculum provides sufficient multidisciplinary aspects.
- The curriculum covers the required courses for Higher studies / Entrepreneurship / Employability.
- The curriculum incorporates the new technological advances.
- The curriculum emphasizes on the usage of computing facilities.
- How will you rate overall academic performance of Institute? (5:Excellent, 3:Good, 1: Average)

3.07	The computational and logical component/s is covered in the syllabus.
3.18	The practical component/ to improve skills is covered in the syllabus.
3.04	The curriculum provides the foundation required for research, innovation, product development abilities.
3.04	The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.
3.50	The curriculum provides sufficient multidisciplinary aspects.
3.04	The curriculum covers the required courses for Higher studies / Entrepreneurship / Employability.
2.93	The curriculum incorporates the new technological advances.
2.93	The curriculum emphasizes on the usage of computing facilities.
3.14	How will you rate overall academic performance of Institute? (5:Excellent, 3:Good, 1: Average)

Chart Title

- Admission counselling and guidance provided.
- Eco- friendly Classrooms and laboratories facilities available.
- Canteen and mess facilities with hygiene available.
- Library and Reading room Facility available.
- Medical, Common room, gymkhana and Transportation facilities available
- Societal activities, sports and cultural activities carried out.
- Computing facilities provided.
- Industry supported/ related activities along with training provided.
- Students counselling, mentoring, carrier guidance and placement support provided
- The curriculum provides the basis of fundamental knowledge of professional engineering.
- The curriculum aimed for Identification, Formulation, Analysis, Design and solution of the Engineering problem/s.
- The computational and logical component/s is covered in the syllabus.
- The practical component/ to improve skills is covered in the syllabus.
- The curriculum provides the foundation required for research, innovation, product development abilities.
- The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.
- The curriculum provides sufficient multidisciplinary aspects.
- The curriculum covers the required courses for Higher studies / Entrepreneurship / Employability.
- The curriculum incorporates the new technological advances.
- The curriculum emphasizes on the usage of computing facilities.
- How will you rate overall academic performance of Institute?
(5:Excellent, 3:Good, 1: Average)

**Action Taken Based on Students Feedback on Curriculum
Academic Year. 2021-22**

Sr. No.	Particulars	Summarized Recommendations based on Analysis of Feedback by Students on Curriculum	Action Taken
1.	Required courses for Higher Studies/Employability/Enterpreneurship development	1. Arrangement of Sessions on Entrepreneurship and Higher Studies. 2. Arrangement of Personality development sessions to improve Employability Skills.	1. Planned and Arranged Expert Person Sessions on Entrepreneurship and Higher Studies through Training and Placement Cell. 2. Planned and Arranged Personality development sessions to improve Employability Skills.
2.	New Technological Advances/Practical Component in the Curriculum.	1. Add on Programs/Workshops/Seminars on thrust areas in all programs to be conducted	1. Planned events/Workshops through industry institute collaboration.

28/01/2022

To,
The Principal
Dnyanshree institute of engineering & Technology,
Sajjangad Road Satara,

Respected Sir,

Curriculum feedback from the Students is taken for academic year 2021-22 Odd semester.
Following points are mentioned for your perusal.

Analysis of semester wise syllabus is enlisted in the table below.

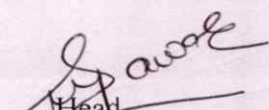

Sr. No.	Affiliated University	Semester	Percentage Feedback
1	DBATU, Lonere	III	84.93%
		V	84.32%
		VII	84.90%

3) Feedback given by students is more than 80%.

4) Students are satisfied by the curriculum of Electronics & Telecommunication Engineering.

**Action Taken Based on Students Feedback on Curriculum
Academic Year. 2021-22**

Sr. No.	Particulars	Summarized Recommendations based on Analysis of Feedback by Students on Curriculum	Action Taken
1.	The curriculum increases environmental, consciousness, importance of human value and awareness of ethical values	1. Arrangement of Environmental related programs through students associations 2. Arrangement of importance of human value related programs 3. Arrangement of awareness of ethical values related programs	1. Planned and Arranged Environmental related swacchata abhiyan, Tree Plantation Program through students association 2. Planned and Arranged blood donation program to improve importance of human values. 3. Planned and Arranged Personality development programs to aware about ethical values.
2.	The curriculum provides sufficient multidisciplinary aspects	1. Arrangement of multidisciplinary aspects programs	1. Planned and Arranged multidisciplinary aspects programs
3.	The curriculum emphasize on the usage of computing facilities.	1. Use of computing facilities	1. Focused on more usage of computing facilities through Institute Central Computing Facilities. 

Head of Department
E & TC ENGINEERING (DEGREE)

Engineering & Technology, Sonawadi,
Gajawadi, Sajjangad Road, Satara.

To,
The Principal
Dnyanshree institute of engineering & Technology,
Sajjangad Road Satara,

01/07/2022

Respected Sir,

Curriculum feedback from the Students is taken for academic year 2021-22 even semester. Following points are mentioned for your perusal.

Analysis of semester wise syllabus is enlisted in the table below.

Sr. No.	Affiliated University	Semester	Percentage Feedback
1	DBATU, Lonere	IV	36.50%
		VI	41.93%
		VIII	36.81%

3) Feedback given by students is less than 50%.

4) Students are not satisfied by the curriculum of Electronics & Telecommunication Engineering.

Copy to,
Principal Office

Timestamp	Email Address	1. The curriculum provides the basis of fundamental knowledge of professional engineering.	2. The curriculum aimed for Identification, Formulation, Analysis, Design and solution of the Engineering problems.	3. The computational and logical components is covered in the syllabus.	4. The practical component to improve skills is covered in the syllabus.	5. The curriculum provides the foundation required for research, innovation, provide development abilities.	6. The curriculum increases environmental consciousness, importance of human values and awareness of ethical values.	7. The curriculum provides sufficient multidisciplinary aspects.	8. The curriculum covers the required courses for higher studies/ Entrepreneurship/ Employability.	9. The curriculum incorporates the new technological advances.	10. The curriculum emphasize on the usage of computing facilities.	Please feel free to mention additional comments.
