The course curriculum provides the fundamental knowledge.	The course curriculum covers the computational and logical components.	The course curriculum covers the practical component required for the development of skill sets.	The course curriculum provides the foundation required for research, innovation, product development abilities.	The course curriculum increase environmental consciousness, importance of human and ethical values.	The course curriculum provides the sufficient multidisciplinary aspects.	The course curriculum covers required courses/subjects for Higher studies.	The course curriculum satisfies the CO's and PO's.	Admission counselling and guidance provided.	Eco-friendly Classrooms and laboratories facilities available.	Canteen and mess facilities with hygiene available.	Library and Reading room facilities available.	Medical, Gymkhana and Transportation facilities available.	Societal activities, sports and cultural activities carried out.	Computing facilities available.	Industry supported related activities along with training provided.	Student's counselling, mentoring, career guidance and placement support provided.	How will you rate overall academic performance of Institute? (5: Excellent, 3: Good, 1: Average)		
Performance index																			4.46

Curriculum Feedback Analysis

Year: 2021-22

Branch: Electrical Engineering

Type: Teachers Feedback

Semester: VI

Teachers Feedback Analysis

- Fundamental Knowledge
- Computational and Logical Components
- Practical components required for the developemnt of skill sets
- Foundation required for Research, Innovation, Product development
- Environmental consciousness, importance of Human and Ethical values
- Multidisciplinary aspects
- Higher studies, Entrepreneurship, Employability
- Satisfaction of COs and Pos
- Admission counsling and Guidance
- Eco friendly Classrooms and Laboratories
- Canteen and Mess facilities
- Library and Reading room
- Medical, Common Room, Gymkhana and Transportation facilities
- Societal, Sports and Cultural activities
- Computing facilities
- Industry supported activities
- Student counsling, Mentoring, Career guidacneand Placement support
- Overall academic performance

Submitted,

To,
The Principal
Dnyanshree institute of engineering & Technology,
Sajjangad Road Satara,

Respected Sir,

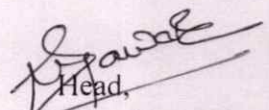

Curriculum feedback from the teacher is taken for academic year 2021-22 Odd semester. Following points are mentioned for your perusal. Analysis of semester wise syllabus is enlisted in the table below.

Sr. No.	Affiliated University	Semester	Percentage Feedback
1	DBATU, Lonere	III	90.16%
		V	90.51%
		VII	88.06%

3) Feedback given by teacher is more than 88%.

4) Teachers are satisfied by the curriculum of Electronics & Telecommunication Engineering.
