	The course curriculum provides the fundamental knowledge.	The course curriculum covers the computational and logical components of skill sets.	The course curriculum provides the practical component required for the development of abilities.	The course curriculum provides the foundation for research, innovation, product development and ethical values.	The course curriculum increase environmental consciousness, importance of human and ethical values.	The course curriculum provides the sufficient multidisciplinary aspects.	The course curriculum covers required courses/subjects for Higher studies / Entrepreneurship / Employability.	The course curriculum satisfies the CO's and PO's.	Admission counselling and guidance provided.	Eco-friendly Classrooms and laboratories facilities available.	Canteen and mess facilities with hygienic Facility available.	Library and Reading room Facility available.	Medical, Common room, gymkhana and Transportation facilities available.	Societal activities, sports and cultural activities carried out.	Computing facilities available.	Industry supported/related activities along with training provided.	Student's counselling, mentoring, career guidance and placement support provided.	How will you rate overall academic performance of Institute? (5:Excellent, 3:Good, 1: Average)	
Performance index																			4.54

Academic Year 2022-23 (Semester-II)

Action taken based on Teacher feedback on Curriculum

Sr. No.	Particulars	Recommendations / suggestions from feedback analysis	Actions Taken
1	The course curriculum covers the practical component required for the development of skill sets	Organize Industrial Visit or Site Visit as well as for the development of skill sets through practical.	1. Conducted Industrial Visit to Water Treatment Plant, Satara for T.Y.B.Tech students. 2. Conducted Site Visit for Canal Lining, Bhonavade for T.Y.B.Tech & B.Tech students. 3. Conducted Industrial Visit for Tunneling, Khambatki for S.Y., T.Y.B.Tech & B.Tech Student. 4. Organized Value Added Program on Total Station for S.Y.B.Tech & T.Y. B.Tech students.
2	The course curriculum provides the foundation required for research, innovation, product development abilities.	Organize activities for research, innovation, product development abilities.	Organized Project Exhibition in Dnyanvishkar 2K23, Project Exhibition to enhance product development abilities.
3.	The course curriculum provides sufficient multidisciplinary aspects.	Organize multidisciplinary activities	Organized Seminar on Energy Conservation & Energy Audit for S.Y.B.Tech & T.Y. B.Tech students.

Head of Department
COMPUTER SCIENCE & ENGINEERING
RWMCT's Dnyanshree Institute of
Engineering & Technology, Sonawadi-
Gajawadi, Sajjangad Road, Satara.

Submitted,

To,
The Principal
Dnyanashree Institute of engineering & Technology,
Sajjangad Road Satara,

Respected Sir,

Curriculum feedback from the teacher is taken for academic year 2022-23 Odd semester. Following reports are mentioned for your perusal. Analysis of semester wise syllabus is enlisted in the table below.

No.	Affiliated University	Semester	Percentage Feedback
	DBATU, Lonere	III	86.67%
		V	83.89%
		VII	87.11%

3) Feedback given by teacher is more than 80%.

4) I am satisfied by the curriculum of Electronics & Telecommunication Engineering.

Head of Department
E & TC ENGINEERING (DEGREE)
Head,
E&TC Engineering Department
Gajawadi, Sajjangad Road, Satara.

Sr. No.	Particulars	5	3	1
Rate the following on the scale as - (5:Strongly Agree, 3:Agree, 1: Moderate)				
1	The course curriculum provides the fundamental knowledge.	✓		
2	The course curriculum covers the computational and logical component/s.	✓		
3	The course curriculum covers the practical component required for the development of skill sets.	✓		
4	The course curriculum provides the foundation required for research, innovation, product development abilities.		✓	
5	The course curriculum increase environmental consciousness, importance of human and ethical values.			✓
6	The course curriculum provides the sufficient multidisciplinary aspects.		✓	
7	The course curriculum covers required courses/subjects for Higher studies / Entrepreneurship / Employability.		✓	
8	The course curriculum satisfies the CO's and PO's.	✓		
9	Admission counselling and guidance provided.			✓
10	Eco- friendly Classrooms and laboratories facilities available.	✓		
11	Canteen and mess facilities with hygiene available.	✓		
12	Library and Reading room Facility available.	✓		
13	Medical, Common room, gymkhana and Transportation facilities available	✓		
14	Societal activities, sports and cultural activities carried out.	✓		
15	Computing facilities available.		✓	
16	Industry supported/ related activities along with training provided.	✓		
17	Student's counselling, mentoring, carrier guidance and placement support provided	✓		
18	How will you rate overall academic performance of Institute? (5:Excellent, 3: Good, 1: Average)		✓

INSTITUTE OF ENGINEERING AND TECHNOLOGY

TEACHERS FEEDBACK

Name of the Faculty Member:	Mr. S. U. Bagwan		
Designation:	Ass. Professor	Programme:	Electrical Engineering
Course Name:	Electrical Machine Design	Course Code:	
Academic Year:	2022-23	Semester:	ENM VI

Sr. No.	Particulars	5	3	1
Rate the following on the scale as - (5:Strongly Agree, 3:Agree, 1: Moderate)				
1	The course curriculum provides the fundamental knowledge.		✓	
2	The course curriculum covers the computational and logical component/s.		✓	
3	The course curriculum covers the practical component required for the development of skill sets.		✓	
4	The course curriculum provides the foundation required for research, innovation, product development abilities.		✓	
5	The course curriculum increase environmental consciousness, importance of human and ethical values.		✓	
6	The course curriculum provides the sufficient multidisciplinary aspects.		✓	
7	The course curriculum covers required courses/subjects for Higher studies / Entrepreneurship / Employability.		✓	
8	The course curriculum satisfies the CO's and PO's.		✓	
9	Admission counselling and guidance provided.		✓	
10	Eco- friendly Classrooms and laboratories facilities available.		✓	
11	Canteen and mess facilities with hygiene available.		✓	
12	Library and Reading room Facility available.		✓	
13	Medical, Common room, gymkhana and Transportation facilities available		✓	
14	Societal activities, sports and cultural activities carried out.		✓	
15	Computing facilities available.		✓	
16	Industry supported/ related activities along with training provided.		✓	
17	Student's counselling, mentoring, carrier guidance and placement support provided		✓	
18	How will you rate overall academic performance of Institute? (5:Excellent, 3:Good, 1: Average)		✓

ACTION TAKEN BASED ON TEACHER'S FEEDBACK ON CURRICULUM

A.Y. 2022-23

Sr. No.	Particulars	Summarized Recommendations based on Analysis of Feedback by Teachers on Curriculum	Actions Taken
1.	Practical Component in the curriculum	<ol style="list-style-type: none">1. Enhance the Proactive participation in Project-based Learning activity.2. Increase utilization of Sponsored / supported laboratories and available facilities in the institute.	<ol style="list-style-type: none">1. Increase awareness and participation in State Level / National Level / University level project competitions.2. Arrange the Industrial visits and Guest lectures and Budget allocation for the same.3. Plan and budget allocation for In-house development of Laboratories.
2	Foundation for Research, innovation, and product development abilities	<ol style="list-style-type: none">1. Enhance utilization of Industry supported/sponsored labs., incubation center, and Center of Excellence facilities	<ol style="list-style-type: none">1. Activities are arranged through Industry, Incubation and Project Quality circle and Research and Development Quality circle.2. Budget allocation and plan for seminars / Webinars / workshops / FDPs / SDPs.3. Budget allocation and motivate the faculty and students for paper publications.4.
3	Canteen and mess facilities with hygiene available	<ol style="list-style-type: none">1. There should be proper cleanliness of the canteen and mess for maintaining proper hygiene2. Different types of foods are required to be added	<ol style="list-style-type: none">1. Proper hygiene is maintained in the canteen and for the wastage of food the students are instructed to use the display of banner of the great freedom fighter Mr.Sane Guruji's Quote non-wastage of food on the wall canteen

			2. Different types of food are available in the canteen.
4.	Library & Reading room Facility available	1. No. of books and volumes are required to be increased	1. No. of books and volumes are purchased with proper procedure. 2. A Minimum of 100 text books are made available in the reading Hall for ready reference to the students.

Analysis of Teacher's Feedback on Curriculum and Ambiance

[illegible]

Q 1	The Course curriculum Provides the fundamental Knowledge.	4.95
Q 2	The Course curriculum covers the computational and logical components.	4.53
Q 3	The Course curriculum covers the practical component required for the development of skill sets.	4.21
Q 4	The Course curriculum Provides the foundation required for research, innovation, product development abilities.	4.53
Q 5	The Course curriculum Increase environmental consciousness, importance of human and ethical values	4.32
Q 6	The course curriculum provides the sufficient multidisciplinary aspects.	4.53
Q 7	The course curriculum covers required courses /subjects for higher studies /Entrepreneurship/Employability	4.11
Q 8	The course curriculum satisfies the CO's and Po's.	3.89
Q 9	Admission counselling and guidance provided.	4.00
Q 10	Eco-friendly classrooms and laboratories facilities available.	3.68
Q 11	Canteen and mess facilities with hygiene available.	3.26
Q 12	Library and Reading room Facility available.	3.37
Q 13	Medical, common room, gymkhana and Transportation facilities available.	3.68
Q 14	Societal activities, sports and cultural activities carried out.	3.58
Q 15	Computing Facilities available.	4.11
Q 16	Industry supported related activities along with training provided.	3.47
Q 17	Student's counselling, mentoring, carrier guidance and placement support provided.	3.68
Q 18	How will you rate overall academic performance of institute? (5: Excellent, 3: Good, 1: Average)	3.26

Very nice course introduce in T.Y. Students will understand need of renewable energy sources & importance.
Today's need of society to develop a power with wind mills.

1	The course curriculum provides the fundamental knowledge.	✓		
2	The course curriculum covers the computational and logical component/s.	✓		
3	The course curriculum covers the practical component required for the development of skill sets.	✓		
4	The course curriculum provides the foundation required for research, innovation, product development abilities.	✓		
5	The course curriculum increase environmental consciousness, importance of human and ethical values.	✓		

6	The course curriculum provides the sufficient multidisciplinary aspects.		✓	
7	The course curriculum covers required courses/subjects for Higher studies / Entrepreneurship / Employability.		✓	
8	The course curriculum satisfies the CO's and PO's.	✓		
9	Admission counselling and guidance provided.	✓		
10	Eco- friendly Classrooms and laboratories facilities available.	✓		
11	Canteen and mess facilities with hygiene available.	✓		
12	Library and Reading room Facility available.	✓		
13	Medical, Common room, gymkhana and Transportation facilities available	✓		
14	Societal activities, sports and cultural activities carried out.	✓		
15	Computing facilities available.	✓		
16	Industry supported/ related activities along with training provided.	✓		
17	Student's counselling, mentoring, carrier guidance and placement support provided	✓		
18	How will you rate overall academic performance of Institute? (5:Excellent, 3:Good, 1: Average)	✓

Academic Year 2022-23(Semester-II)

Action taken based on Teacher feedback on Curriculum

Sr. No.	Particulars	Recommendations based on feedback analysis	Actions Taken
1	The course curriculum covers required courses/subjects for Higher studies / Entrepreneurship / Employability.	As FY B Tech curriculum is built on fundamentals of basic and Engineering Science. It is required to develop critical thinking and psychomotor skills among the students	1. Give clear directions and guidance to students regarding research. 2. In next semester, encourage students for making mini projects of their interest so students can understand how each step build towards a greater project.
2	The course curriculum covers the computational and logical component/s.	As FY B Tech curriculum is built on fundamentals of basic and Engineering Science. It is required to develop computational and logical knowledge among students.	Arrange extra lecture / remedial lecture to cover more computational components.
3.	The course curriculum provides the sufficient multidisciplinary aspects.	Organize expert lectures from industry ,organize project exhibition for multidisciplinary aspects.	1. Motivate teachers and students for making mini projects based on cross curricular subjects.
